 1,904 Sq. Ft.

 3 Bedrooms

 2 Bathrooms

 4 Car Garage

Nestled within tranquility, this enchanting 1904 SQ FT home unveils a harmonious blend of elegance and functionality. Boasting 3 thoughtfully designed bedrooms and 2 tastefully appointed bathrooms, including a spa-inspired en-suite sanctuary featuring a fully tiled walk-in shower, this residence offers a haven of relaxation. The gourmet kitchen is a culinary delight, showcasing gleaming stainless steel appliances that seamlessly complement the exquisite quartz/granite countertops. The allure of hardwood flooring flows through the open living spaces, creating an ambiance of timeless charm and comfort. Step outside to a covered backyard patio, a perfect retreat for both intimate gatherings and leisurely moments. The 4-car garage boasts a 15'x39' RV bay, ensuring a seamless living experience. Embrace a life of refined luxury and practicality, where every detail has been thoughtfully considered to elevate your daily living to new heights.
