The Daffodil offers a welcoming single-level design with spacious, connected living areas and thoughtful separation of private spaces. The open great room flows naturally into the dining area and kitchen, creating the perfect setting for gatherings, casual meals, and day-to-day living. The kitchen's large island and ample storage make it as functional as it is inviting.

The primary suite is a private retreat, complete with a roomy walk-in closet and a bright, comfortable bathroom. Three additional bedrooms are ideally positioned to offer flexibility for family, guests, or a home office.

A covered outdoor living space stretches across the back of the home, providing an ideal place for morning coffee, evening dinners, or simply relaxing in the fresh air. The three-car garage offers plenty of space for vehicles, storage, and hobbies, making the Daffodil a home that meets all the needs of modern living.
